

# TOOT YOUR HORN

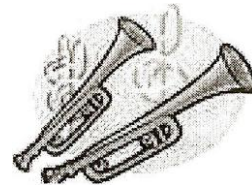

District Convention, March 16-17, 2012

This is an excellent time to share ideas, promote your club fundraiser and community events. You may promote your fundraiser by selling raffle tickets at your display table only. Don't be caught selling them anywhere else! Please share some of what you do with the rest of the clubs at this year's convention. Your display is **NOT** entered in a contest! It is **NOT** being judged! We just want you to share what you are doing. If you need a 8' table - GREAT. If you only need 1' of table space - GREAT. Let me know what you would like. Thanks for your consideration.
